### Description:

Newark One Gateway Center boasts one of the most strategic locations in New Jersey. It is located in the heart of the business district attached to Penn Station, and at the crossroads of Interstates 78, 24, 287, the NJ Turnpike and Highways 21, 22, 1 and 9. It is adjacent to the Seton Hall University Law School and a block from the prestigious and newly-opened NJ Performing Arts Center. It is just minutes from Newark International Airport by car and 20 minutes by PATH to midtown Manhattan. Via Penn Station our clients can also reach Boston or Washington, D.C. via the Amtrak. The City of Newark itself is on the precipice of a major renaissance. Featuring panoramic views of both Newark and the Manhattan skyline, the building itself hosts a first-floor retail strip which includes banks, a hotel, a fitness center, salons, retail establishments and restaurants.

### Directions:

Take 21N/McCarter Hwy. to Market St., turn right. Turn left onto Penn Station Plaza and left into first parking lot on left.
